## PAGEANT

- The night of the pageant the girls will need to be there no later than 6 p.m. They are to meet me in Building 1 at that time. For the first part of the pageant, they will need to have knee length shorts or capris. I will allow blue jean shorts or capris this year but they must be knee length and look newer (meaning no holes, fading, or stains).
- For the second half of the pageant, they will change into their “dressy dresses” for the remainder of the pageant. Dresses should be age appropriate.
- ***Please bring dress and shorts to the mandatory meeting to get approval. (Dresses and shorts must be approved by the coordinators.)***
- The girls will be escorted on stage by an adult male (father, grandfather, brother, friend, or role model – must be 18 years of age or older) during the second half of the pageant. I will need the name of their escort the night of the mandatory meeting.
- The judges will make their final decisions the night of the pageant.

This is a year long commitment with many parades, festivals, fairs, community events, and community service that the Royalty can choose to participate in.
